

Before Care/ After Care

In order to prepare properly for the 2015-16 school year, we need to know the number of children who will be using the After Care program on a regularly scheduled basis. We realize that needs can change. **Signing up now is not a commitment.**

Also, we know that some parents use After Care as a play day or for emergency care. We welcome those uses of course. However, for now, we need to know the number of children who will be in After Care on a regularly scheduled basis.
