Please also complete a Summer Journal. This will be due in September on the first day of school. I will be showing you an example, but this does not have to be fancy! I would like to see **10 journal entries** with the date, place and a short paragraph about what you did. My favorite part is seeing all the pictures!! You can draw them yourself, or take pictures and add them to the journal. I make one too, so I will be sharing with you as well. You can do this in a plain old notebook or staple loose pieces together. It is up to you!! This is the FIRST

**PROJECT GRADE** you receive from me, so make sure you come prepared. Have a great summer, and I can't wait to see you all in the **FALL!!**
